

2012 BIOCHEMISTRY AND MOLECULAR BIOLOGY RESEARCH DAY

**Friday March 30th, 2012: 10 am– 5:30
p.m.**

Research Day is an important event for the department.

It provides opportunities for:

- Students, Post-docs and Faculty to get together and discuss their work.
- Viewing exciting science and soliciting feedback and collaboration.
- Oral research presentations by Students and Postdocs
- Presentation of Annual Department Awards
- Dr. Zhang's update on departmental activities and plans.

POSTER ABSTRACT SUBMISSION: Please submit abstract(s)

with your name, laboratory affiliation and title to Jamie

Schroeder in the Biochem Office (jrschroe@iupui.edu; 274-7151)

no later than 4:00 p.m. February 13, 2012. This is a great

opportunity to share your successes and troubleshoot your challenges with colleagues and friends and help showcase our Department and our Graduate Program to the new open enrollment students. Everyone is invited to participate! Eight abstracts from students and postdocs will be selected for oral presentations (12 min +3 min discussion).

Please indicate on the abstract form whether you wish to be considered for the selection of oral presentation or if you would rather present a poster. All students and postdocs regardless of whether they are selected for oral presentation must present a poster. This is important since the Poster Awards are based on the poster presentations. Posters presented at recent meetings and “hot off the press” information is welcome and encouraged! **There will be four (4) Poster Awards of \$100 each for students and post-docs.** Winners will be announced at a ceremony at 4:15 p.m.

Schedule of Events
